Baseball Today

By Varsity Teams

The University of Oregon baseball
team crosses bats with the Oregon Ag-
ricultural College team today for the
first time this year. The first two
games of a four-game series will be
played, one in the morning and one in
the afternoon. Captain Hurd, though
on the sick list, will pitch one of the
games for the Varsity, and Henkle the
other. Coach Kelly expects Oregon to
win both games, and is hoping that the
batting slump, from which the team
has been suffering since the Northern
trip, is all over. but Captain Moore is
confident that it will at least be an even
break. The following is the lineups of
of both teams: Oregon, Gabrielson, c.;
Hurd, Henkle, p.; Jamison, 1b.; New-
land, 2b.; Clark, 3b.; Coleman, ss.;
McKinley, VanMarter, lf.; Hurd, Hen-
kle, rf.; Sullivan, cf. O. A. C. Phillips,
c.; Keenes, Robinson, Reiben, p.;
Freeman, 1b.; Horton, 2b.; Davis, 3b.;
Crews, ss.; Keck, lf.; Carroll, rf.; one
of the pitchers, cf.

County Will Save Money

The provisions of the new bounty law
practically eliminates this item of ex-
pense to nearly every county in the Wil-
lamette Valley. Under the old law the
party making application for bounty
was simply required to produce the head
and the county clerk punched the ear
and afterward burned the relic. The
applicant took his bounty money and
then sold the hide. Under the new law
the party applying for bounty will be
required to produce the entire skin of
the animal which skin must include all
four paws, the tail and the skin of the
entire head including the ears and eye-
holes and the skin to the tip of the
nose. This must be left with the county
clerk, and afterward be burned by that
officer. It is readily seen that if the
skin of the animal is worth twice as
much as the bounty offered there will
be no claims made. This county has
perhaps paid out \$100 or more during
the past year for this purpose.
